

SAMSUNG

Certification of Accredited Gallant Air Conditioning Installation Partner

Gallant Air Conditioning Ltd, the specialist suppliers of Samsung air conditioners are pleased to confirm that:

**Lee Jackson Air
Conditioning Ltd**

Have qualified as a Gallant Approved installer of Samsung Air Conditioning equipment

This certification confirms that the companies' engineers have demonstrated a high standard of installation, design, commissioning and fault finding on the products supplied by Gallant Air conditioning Ltd to ensure the products are selected, installed and commissioned as required to ensure adherence to all pertinent guidelines. This certification concludes that Lee Jackson Air Conditioning have demonstrated all necessary credentials to achieve 7-year warranty status

The pre-requisite achieved in obtaining this certification is that all engineers involved in the installation of Samsung Air Conditioning products must have also attained the very latest qualifications dictated by legislation for the safe handling of refrigerants.
